- J.R.R. Tolkien quote: *Estel we call it, that is "trust." It is not defeated by the ways of the world, for it does not come from experience, but from our nature and First Being. If we are indeed the Eruhin, the Children of the One, then He will not suffer Himself to be deprived of His own, not by any enemy, not even by ourselves. This is the last foundation of estel, which we*

*keep even when we contemplate the end. Of all His designs the issue must be for His children's joy.*
